(d) *Substantial compliance.* For purposes of this section, a person will be deemed to have voluntarily corrected a declaration or certification even though that person provides corrected information in a manner which does not conform to the requirements of the written statement specified in paragraph (c) of this section, provided that:

(1) CBP is satisfied that the information was provided before the commencement of a formal investigation; and

(2) The information provided includes, orally or in writing, substantially the same information as that specified in paragraph (c) of this section.

(e) *Tender of actual loss of duties.* A U.S. importer who makes a corrected declaration must tender any actual loss of duties at the time of making the corrected declaration, or within 30 calendar days thereafter, or within any extension of that 30-day period as CBP may allow in order for the importer to obtain the information or data necessary to calculate the duties owed.

(f) *Applicability of prior disclosure provisions.* Where a person fails to meet the requirements of this section because the correction of the declaration or the written notification of an incorrect certification is not considered to be done voluntarily as provided in this section, that person may nevertheless qualify for prior disclosure treatment under 19 U.S.C. 1592(c)(4) and § 162.74 of this chapter.
